# Jeans Bring Dreams

2009 - 2010

## Jeans Bring Dreams Tween/Teen Concert Series

The Tween/Teen Concert Series is a traveling concert series to bring together tweens and teens in their communities for a day of entertainment, motivation, and information. This series will kick off in Fresno/Clovis. Each event will include performances, tween/teen motivational speakers, a charity to give back to, tween/teen celebrities, meet & greet, a fashion show from the local community, and information on social networking. This is a packed six hour concert all for only \$20.00. At each concert if you bring in a pair of gently used jeans to donate you will get \$5.00 off your ticket...making it only \$15.00!! We can't wait to see you there.

dekoposh, Inc. has a mission to
